Education

B.Sc. Pharmacy

Oct 1991 - Jun 1997

College of Pharmacy, University of Baghdad

I have been studied the pharmacy sciences for 5 years in 10 courses. I have been graduated with an order of 5 out of 156. I accomplished the pharmacy training at the private pharmacy sector for the 3rd and 4th study years.

M.Sc. Pharmacy Sciences (Pharmacology and Toxicology)

2005 - Present

College of Pharmacy, University of Baghdad

I have been graduated with Master Degree in Pharmacy Sciences (Pharmacology and Toxicology) from the College of Pharmacy, University of Baghdad in 2005.

Employment

Pharmacy Technician

1997 - 2005

I have been a member of pharmacy technicians at the Department of Pharmacology and Toxicology, College of pharmacy, University of Baghdad for 6 years.

College Assistant Lecturer

2005 - 2011

I became an assistant lecturer at the same department in 2005 teaching the practical section of pharmacology for 4th level pharmacy students.

College Lecturer

2013 - Present

I became a lecturer at the same department in 2011 teaching the theoretical section of pharmacology for 3rd and 4th level pharmacy students.

Then after, I became a member of the teaching staff at Al-Esraa University College in 2013 until 2015 after which I became a member of the teaching staff at the College of Pharmacy Uruk University. I teach in these periods many topics including Human biology, Human anatomy, Human physiology, Pathophysiology and Pharmacology.

Iraqi Syndicate of Pharmacists

2010 - 2016

I have been a member of the Iraqi Syndicate Council by election. At that time I was a member of many committees that help in regulation of pharmaceutical services in the private sector.
